

Professionalization and Social Impact of European Political Science COST Action Survey

Welcome to the Professionalization and Social Impact of European Political Science COST Action Survey

The survey is intended to detect the social visibility of political scientists in their country, their role as policy advisors and their level of internationalization. We really hope that you can spend about 20 minutes of your time to respond to all the questions.

There are 52 questions in this survey

A. Public visibility of political science

[]

Welcome to the Professionalization and Social Impact of European Political Science COST Action Survey

The survey is intended to detect the social visibility of political scientists in their country, their role as policy advisors and their level of internationalization. We really hope that you can spend about 20 minutes of your time to respond to all the questions.

Please write your answer here:

[]Overall, how do you evaluate the visibility in public debates/discussions of the research produced by political scientists in your country?

Please choose **only one** of the following:

- Not visible at all. No political science research ever makes it into the public debate.
- Scarcely visible. Very rarely does some political science research make it into the public debate.
- Quite visible. Occasionally, some political science research makes it into the public debate.
- Very visible. Very frequently political science research makes it into the public debate.
- I can't say.

[]Regarding the visibility of political scientists in comparison to other academics or public intellectuals, would you say that in your country:

Please choose **only one** of the following:

- Political scientists have no impact at all
- Political scientists have a little impact on the general public

- Political scientists have a considerable impact on the general public
- I can't say

[] In your opinion, since the 2009 crisis, and compared with the former situation, has the impact of the work of political scientists on public debate/discussions:

Please choose **only one** of the following:

- Increased
- Decreased
- Remained the same
- I can't say

[] In the last three years, did you take part in public debates in the media?

Please choose **only one** of the following:

- Yes
- No

[] Please, can you specify which media...

Only answer this question if the following conditions are met:

Answer was 'Yes' at question '5 [Q2]' (In the last three years, did you take part in public debates in the media?)

Please choose **all** that apply:

- Contributions to TV programmes
- Radio programmes
- Newspapers/magazines (including online outlets)
- Contributions to other online media (twitter, Facebook, blogs, video-blogs, Youtube channels, etc.)

[] Please, specify the average frequency of your interventions on TV programmes related to political issues (during the last three years).

Only answer this question if the following conditions are met:

Answer was at question '6 [Q2a]' (Please, can you specify which media...)

Please choose **only one** of the following:

- At least once a week
- At least once a month
- At least once every three months
- At least once every year
- Less frequently

[]The contributions to TV programmes have taken place:

Only answer this question if the following conditions are met:

Answer was at question '6 [Q2a]' (Please, can you specify which media...)

Please choose **only one** of the following:

- Mostly on local, provincial or regional outlets
- Mostly on national outlets
- Mostly on foreign outlets

[]The contributions to radio programmes have taken place:

Only answer this question if the following conditions are met:

Answer was at question '6 [Q2a]' (Please, can you specify which media...)

Please choose **only one** of the following:

- Mostly on local, provincial or regional outlets
- Mostly on national outlets
- Mostly on foreign outlets

[]Please specify the average frequency of your contributions to radio broadcasts related to political issues during the last three years?

Only answer this question if the following conditions are met:

Answer was at question '6 [Q2a]' (Please, can you specify which media...)

Please choose **only one** of the following:

- At least once a week
- At least once a month
- At least once every three months
- At least once every year
- Less frequently

[]Please specify the average frequency of your contributions related to political issues in newspapers, magazines (including electronic ones and news portals) during the last three years:

Only answer this question if the following conditions are met:

Answer was at question '6 [Q2a]' (Please, can you specify which media...)

Please choose **only one** of the following:

- At least once a week
- At least once a month
- At least once every three months

- At least once every year
- Less frequently

[] These contributions to newspapers or magazines have appeared:

Only answer this question if the following conditions are met:

Answer was at question '6 [Q2a]' (Please, can you specify which media...)

Please choose **only one** of the following:

- Mostly in local, provincial or regional outlets
- Mostly in national outlets
- Mostly in foreign outlets

[] What type of contributions have you made to newspapers or magazines (including online ones and news portals) during the last three years?

Only answer this question if the following conditions are met:

Answer was at question '6 [Q2a]' (Please, can you specify which media...)

Please choose **all** that apply:

- Editorials or regular (daily, weekly, monthly...) columns
- Professional comments/opinion articles
- Interviews
- Letters or other types of interventions

[] How frequently have you participated during the last three years in discussions about political issues through Twitter, Facebook, or professional/personal blogs?

Only answer this question if the following conditions are met:

Answer was at question '6 [Q2a]' (Please, can you specify which media...)

Please choose the appropriate response for each item:

	Daily	At least once a week	At least once a month	At least once every three months	Less than once every three months	Never
Twitter	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Facebook	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Professional/personal blogs	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

[] To what extent do you agree with the following statements?

Please choose the appropriate response for each item:

Fully agree Somewhat agree Somewhat disagree Fully disagree

Political scientists should engage in public debate since this is part of their role as social scientists

Political scientists should engage in public debate because this helps them to expand their career options

Political scientists should engage in media or political advisory activities only after testing their ideas in academic outlets

[] On a scale where 0 means that 'Participation of political scientists to public debate is not recognised at all for career advancement' and 10 means that this is 'very much recognised and relevant', where would you place the country where you work?

Please choose the appropriate response for each item:

...is not recognised at all for career advancement 1 2 3 4 5 6 7 8 9 ...is very much recognised and relevant for career advancement

Participation of political scientists to public debate...

B. Advisory or advocacy policy role

[]How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)?

Please choose the appropriate response for each item:

	At least once a week	At least once a month	At least once a year	Less frequently	Never
I provide data and facts about policies and political phenomena	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I analyse and explain the causes and consequences of policy problems	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I evaluate existing, policies, institutional arrangements, etc.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I offer consultancy services and advice, and make recommendations on policy alternatives	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I make forecasts and/or carry out polls	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I make value-judgements and normative arguments	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

[]With which actors did you engage in knowledge exchange, advisory or consulting activities during the last three years?

Only answer this question if the following conditions are met:

----- Scenario 1 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I provide data and facts about policies and political phenomena))

----- or Scenario 2 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I analyse and explain the causes and consequences of policy problems))

----- or Scenario 3 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I evaluate existing, policies, institutional arrangements, etc.))

----- or Scenario 4 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I offer consultancy services and advice, and make recommendations on policy alternatives))

----- or Scenario 5 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I make forecasts and/or carry out polls))

----- or Scenario 6 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I make value-judgements and normative arguments))

Please choose **all** that apply:

- Executive politicians
- Legislative politicians
- Political parties
- Civil servants
- Advisory bodies
- Think tanks
- Interest groups in the private and corporate sector

- Other civil society organisations and citizen groups
- International organisations

[] At which level of governance did you engage most frequently in policy advice or consulting activities during the last three years?

Only answer this question if the following conditions are met:

----- Scenario 1 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I provide data and facts about policies and political phenomena))

----- or Scenario 2 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I analyse and explain the causes and consequences of policy problems))

----- or Scenario 3 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I evaluate existing, policies, institutional arrangements, etc.))

----- or Scenario 4 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I offer consultancy services and advice, and make recommendations on policy alternatives))

----- or Scenario 5 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I make forecasts and/or carry out polls))

----- or Scenario 6 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I make value-judgements and normative arguments))

Please select at most 2 answers

Please choose **all** that apply:

- Sub-national
- National
- EU level
- Transnational/international

[] Please rate your engagement in direct knowledge exchange, advisory or consulting activities, during the last three years, on a scale from entirely informal (e.g. personal talks) to entirely formal (e.g. appointment in advisory committees, expert councils etc).

Only answer this question if the following conditions are met:

----- Scenario 1 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I provide data and facts about policies and political phenomena))

----- or Scenario 2 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I analyse and explain the causes and consequences of policy problems))

----- or Scenario 3 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I evaluate existing, policies, institutional arrangements, etc.))

----- or Scenario 4 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I offer consultancy services and advice, and make recommendations on policy alternatives))

----- or Scenario 5 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I make forecasts and/or carry out polls))

----- or Scenario 6 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors

(policymakers, ministry officials, interest groups, political parties, etc.)? (I make value-judgements and normative arguments))

Please choose **only one** of the following:

- Entirely informal
- Mainly informal
- Informal and formal
- Mainly formal
- Entirely formal

[]Over the past three years, how frequently have you used any of the channels below to provide policy advice and/or consulting services:

Only answer this question if the following conditions are met:

----- Scenario 1 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I provide data and facts about policies and political phenomena))

----- or Scenario 2 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I analyse and explain the causes and consequences of policy problems))

----- or Scenario 3 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I evaluate existing, policies, institutional arrangements, etc.))

----- or Scenario 4 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I offer consultancy services and advice, and make recommendations on policy alternatives))

----- or Scenario 5 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I make forecasts and/or carry out polls))

----- or Scenario 6 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I make value-judgements and normative arguments))

Please choose the appropriate response for each item:

	At least once a week	At least once a month	At least once a year	Less frequently	Never
Publications (e.g. books, articles)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Research reports	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Policy Reports/Policy Briefs /Memos	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Traditional media articles	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

[] Over the past three years, how frequently have you used any of the modes below to provide policy advice and/or consulting services?

Only answer this question if the following conditions are met:

----- Scenario 1 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I provide data and facts about policies and political phenomena))

----- or Scenario 2 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I analyse and explain the causes and consequences of policy problems))

----- or Scenario 3 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I evaluate existing, policies, institutional arrangements, etc.))

----- or Scenario 4 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I offer consultancy services and advice, and make recommendations on policy alternatives))

----- or Scenario 5 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I make forecasts and/or carry out polls))

----- or Scenario 6 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I make value-judgements and normative arguments))

Please choose the appropriate response for each item:

	At least once a week	At least once a month	At least once a year	Less frequently	Never
Face-to-face with actor/organization	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Over phone to actor/organization	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
By email or post to actor/organization	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Via workshop or conference (including events for non-academic audiences)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

[] Please, indicate your level of agreement with each of the following statements:

Please choose the appropriate response for each item:

	Fully agree	Somewhat agree	Somewhat disagree	Fully disagree
Political scientists should become involved in policy making	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Political scientists have a professional obligation to engage in public debate.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Political scientists should provide evidence-based knowledge and expertise outside academia, but not be directly involved in policy-making	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Political scientists should refrain from direct engagement with policy actors	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

[]With which substantive policy areas is your advice concerned?

Only answer this question if the following conditions are met:

----- Scenario 1 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I provide data and facts about policies and political phenomena))

----- or Scenario 2 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I analyse and explain the causes and consequences of policy problems))

----- or Scenario 3 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I evaluate existing policies, institutional arrangements, etc.))

----- or Scenario 4 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I offer consultancy services and advice, and make recommendations on policy alternatives))

----- or Scenario 5 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I make forecasts and/or carry out polls))

----- or Scenario 6 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I make value-judgements and normative arguments))

Please select at most 3 answers

Please choose **all** that apply:

- Macroeconomics, monetary policy, industry policy
- Civil Rights, political rights, gender Issues
- Health
- Agriculture, food policy
- Labour
- Education
- Environment
- Energy
- Immigration, integration, ethnic minorities

- Environmental policy
- Environmental science
- Energy and infrastructure
- Health policy
- Urban studies
- Social policy and welfare
- Gender studies
- Other areas:

[]How important are the following reasons for your engagement in advisory or consulting activities?

Only answer this question if the following conditions are met:

----- Scenario 1 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I provide data and facts about policies and political phenomena))

----- or Scenario 2 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I analyse and explain the causes and consequences of policy problems))

----- or Scenario 3 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I evaluate existing, policies, institutional arrangements, etc.))

----- or Scenario 4 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I offer consultancy services and advice, and make recommendations on policy alternatives))

----- or Scenario 5 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I make forecasts and/or carry out polls))

----- or Scenario 6 -----

Answer was less than 'Never' at question '17 [Q8]' (How often, on average, during the last three years, have you engaged in any of the following advisory activities with policy actors (policymakers, ministry officials, interest groups, political parties, etc.)? (I make value-judgements and normative arguments))

Please choose the appropriate response for each item:

	Not important at all	Somewhat unimportant	Somewhat important	Absolutely important
I like to stay active minded	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
It helps advance my academic career	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
It helps expand my career options and provides alternative sources of finance	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Not important at all Somewhat unimportant Somewhat important Absolutely important

Engagement in advisory or consulting activities is part of my professional duty as a political scientist

I like to make a contribution to society

C. Recent teaching and research experience

[] In which fields are the courses you have taught during the last three years

Please select at most 3 answers

Please choose **all** that apply:

- Comparative politics
- International relations
- Political theory
- Public policy
- Public administration
- Political economy
- Social science methods
- Electoral behaviour
- Political institutions
- EU studies
- Local government
- Security studies
- Gender politics
- Social movements
- Other fields:

[]How many times in the past three years have you...?

Please choose the appropriate response for each item:

	Never	At least once	Three or more times
Published in a journal outside of your country	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Published with international co-authors	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Published in English	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Published in a language (not English) other than the principal language of your academic system	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

[]How many times in the past three years have you...?

Please choose the appropriate response for each item:

	Never	At least once	Three or more times
Participated (presented a paper or acted as discussant) in an international conference	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Gone on a research stay abroad of at least 2 weeks	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Taught outside the country where you work	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Participated in an international research	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Never

At least once

Three or more times

collaboration

[] Regarding your publishing record, please indicate whether in the last three years you have published:

Please choose the appropriate response for each item:

None

At least one

Three or more

Articles in peer-reviewed international journals

Chapters in edited books published by international publishing houses

Monographs published by international publishing houses

[] Did you participate during the last three years in any of the following activities?

Please choose **all** that apply:

- Partner or subcontractor of a research project funded by international institutions (H2020, ERC, COST, etc.)
- Member of an international research network within your field of interest
- Reviewer of project applications funded by international or other country's institutions
- Referee for an international peer-reviewed journal
- Editor for an international peer-reviewed journal
- Reviewer for an international publishing house (in a country different from where you currently reside)
- Book series editor for an international publishing house (in a country different from where you currently reside)

D. Internationalisation of Political Science

		Only national level is important				Both equally important					Only international level is important
		1	2	3	4	5	6	7	8	9	
Collaborating on research projects	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Securing research funding	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

[] In the past three years, how have your international activities been supported?

Please choose **all** that apply:

- Research or teaching fellowship
- Funding for travel to conferences
- Financial, administrative, or technical support for applying for funded projects
